

HIGGINS 72-73

MEMORIES

91.260.11.1

It is a pleasure to write a brief message for the YEARBOOK of the Higgins Junior High School. Congratulations to those graduating from "Higgins" this year and remember that you are graduating from one of the largest Junior High Schools on the North Shore. You and the other students have been educated in a great national and international period of change.

In later years you may recall that the Vietnam Conflict, the longest war in our history, was brought to a close during 1973. However, you should recall some of our pleasant school activities namely; the great December musicals, the successful sports teams, the interesting club meetings and the school dances and assemblies.

On behalf of the entire Higgins teaching staff, Guidance Counselors, the clerical staff, the Unit Directors and myself, we wish you success, health and happiness in all your future endeavors.

Remember PEABODY always - it is a remarkable city. Go and make your mark in the world but if you can, leave something of yourself in Peabody so that 'future generations will remember that you did not forget the city that gave you your basic education.'

Sincerely.

Edward J. O'Connor

Sports Scoreboard

The Higgins football team finished another fine season this year and under the direction of coaches Thain and Delucca combining both a strong offense and a well-balanced defense, the Hellions finished with a fine 5-1-1 record for the city championship. Higgins defeated Arch-rival Kennedy by a score of 22-6.

Although finishing with a record of 5-8 the Higgins basketball team deserves a lot of credit. Although lacking in height, our hoop men made up for it with hustle and determination. Coach Geanoulis has started a program of grooming eighth graders for ninth grade competition. This should enhance the future of Higgins basketball.

This year was the first year that the Higgins hockey team played in an organized league. They finished the year by finishing fourth in that league and gained the respect of all the members. Coaches Gill and Kingston had nothing but praise for the team that finished with seven wins and six losses. The highlight of the season came when the Hellions shut out rival Kennedy by a 10-0 score and thus took the city championship in yet another sport.
